

Evening Mist

Highly Versatile

From a large lively party to a sophisticated intimate gathering we have the experience and versatility to provide just the right mix of music to suit all ages and occasions.

Unrivalled Experience

We have the ability, that only comes with many years experience, of knowing the right song to play and when to play it to get people onto the dancefloor (and keep them there!).

Real Musicians - Real Instruments

Unlike many small bands, this is not a "karaoke group" singing & playing along to pre-recorded backing tracks. This is a very experienced professional band featuring highly accomplished musicians playing live.

Line Up

The usual trio, which creates a very full and complete sound, comprises keyboards (including bass), drums and guitar - all lead vocalists.

This can be augmented to a 4 or 5 piece with Saxophone and/or female vocals. Also possible to reduce to a duo when budget or space is limited.

Vast Repertoire

As no two events are the same, we never work from a "fixed" setlist. Our repertoire is literally vast with material from Glenn Miller to the present day, via every decade in between. This allows us to adjust the mix of music to perfectly suit each individual event.

We have a modern sound and lighting system including DMX controlled LED stage lighting which provides a vast range of rich colour variations plus dancefloor lighting greatly enhancing the atmosphere.

All equipment is regularly inspected for electrical safety (PAT tested) and we have full public liability insurance

What a fantastic evening, everyone really enjoyed themselves. It is amazing that you really were able to play something to keep everybody happy...

Wedding Party

Thank you so much for recommending and arranging for Evening Mist to play at our party last Saturday. They were absolutely brilliant and everyone enjoyed listening and dancing to them. Please pass on our thanks to them. Brian was certainly true to his word when he said that he would get everyone up dancing and keep them there, and we all appreciated them playing for longer than we had anticipated.

Wedding Anniversary Party

I just wanted to say thank you for your great entertainment on Saturday night at the Rose Bowl. I have received nothing but positive feedback about the evening which you really made go with a swing.

Golf Club Dinner Dance

A few weeks have now passed since our Civil Partnership at The Wiltshire and we wanted to say a big thank you for the huge contribution you made to making the evening special. You were all brilliant! Your music selection was great and hit the spot right on the nail. Lots of guests have mentioned how much they enjoyed the band.

We have no hesitation in recommending you to others - the smooth planning - expert advice you gave about the format of the evening - great lighting - great music - what else could we have asked for? Fantastic and completely met our expectations.

Civil Partnership Party

Please pass on our thanks to Brian and the rest of Evening Mist for the great evening of music they performed for us at our wedding on Saturday night - it was just what we asked for and had everyone up on the floor.

Wedding Party

I just wanted to say a huge thank you for organising the music for our awards last Thursday. Brian and the band were fantastic and were a perfect end to the evening. Above all, I was impressed by the bands professional approach to delivering what we wanted and I will certainly be pushing for Evening Mist to be used again next year.

Corporate Awards Dinner - 500 guests

Just to say thanks again for Friday evening. It was an excellent night and thoroughly enjoyed by us all. You pitched the music just right, both in type and volume, for the mix of people in attendance. The number of compliments I received from guests regarding your band was amazing.

Masonic Ladies Night

I just wanted to say a big thank you for your performance. The music was excellent and pitched at the perfect level for the occasion. Your advice was spot on to keep things in the background while it was still light and then pick it up after the buffet.

Loads of people said how good the band was. I didn't get a chance to thank you on the day but please pass on Susan and my thanks to the other two band members.

Wedding Party

Just a note of thanks to you and the band for last night's performance at our 20th anniversary party. Everyone thought the music was great - just a shame we had to finish at 11pm!

BBC TV - Crimewatch Anniversary Party

I just wanted to drop you a quick email to say many thanks for Friday night - all feedback so far has been very positive and I was really happy that everyone appeared to enjoy themselves.

Golf Club Bums Night (including Scottish Country Dancing!)

Just to say thank you for making our party so special, everyone really enjoyed themselves last night. We will be recommending you to all our friends.

Golden Wedding Party

You were absolutely superb on Saturday night and far exceeded our expectations. It's nice to know that live music can still exceed a disco for atmosphere!

70th Birthday Party

Thank you to you and the Band for adding your expertise to a most enjoyable evening. You did an excellent job last night and are to be congratulated for managing with a difficult venue and getting the mood just right ALL evening for our Dinner Dance. I would have no hesitation in recommending you as a highly professional and entertaining band.
